

Reunion Booklet Update - May 2019

Sharon Puls Smith

Out of high school, Earl Smith (class of '64) and I got married on June 12th, 1966. We have one daughter, Karen, and she is a special gal.

In 1969 Earl enlisted in the Air Force. He didn't know he was going to make it a 20 year career. He retired in 1989. We moved back to Loveland, a nice place to live.

I began to look for a part time job, and ended up working for Thompson R2J for 19 years as a crossing guard. The kids were special.

It is real nice belonging to the wonderful class of '64! I remember our outdoor graduation at the old high school on 4th street. Earl and I were high school sweethearts so I had a date for every school outing.

Thanks again!
